

KHS

Fine Arts Boosters

A raucous “Aaaaaargh, me maties!!!” from the newly formed **Fine Arts Booster** group (or **FAB** as we like to call ourselves!) at **Kingston High School**. As a booster group supporting all of the **fine arts** at KHS including **band, choir, drama, visual and media arts** we are continuing the tradition of an annual Swing Dance and Auction to raise funds to support the needs of all of these departments. As the school district’s budget continues to shrink, the need to raise additional funding outside of the school district thru booster groups and thru the community is more important than ever. And because KHS is still a new school the needs are many.

If you have participated in any of the last 4 Swing Dance/Auctions that have been held, thank you! To date we have raised over \$20,000.00 at these events. We hope we can plan on your support again this year. If you are new to supporting the auction we look forward to working with you to find an appropriate donation for you or your business. Remember, no donation is too small! Many donations will be grouped together in an attractive basket and your name/business name will be listed in the description of the basket.

There are several ways you or your business can show your support of the KHS FAB program. **Please think about donating a good or service to our silent auction.** Or **donate** directly to **KHS FAB** by writing a check and mailing it to PO BOX 778 Kingston, WA . Also, please consider buying a ticket to attend our event on Nov. 22nd from 6:30-10:30pm in the **Kingston High School Commons** and enjoy an evening filled with band music, food, drink, raffle prizes and great auction items!

Please contact the Fine Arts Boosters by Nov. 1st to let us know what you would like to donate. For more information on the event or about donating, please contact Pat O’Morchoe, auction chair, 360-731-7764, patio@pacificeyecare.com. More information on the Fine Arts Boosters can be found at our web site www.khsfab.org.

These are some of the needs our event will help to fund; band-- additional music, a drum line instructor and entry fees for competitions; art classes-- lockable cabinet storage space for students’ art projects.; drama-- pipe and drape and lighting for productions. Risers would be used by band & choir. An enclosed trailer would be used by all departments to transfer equipment to other performance venues.

Thank you in advance for your support of **FAB** and the over 200 fine arts students at Kingston High School.

Sincerely,

Pat O’Morchoe 360-731-7764
